Sir:

Attached is a copy of the Filing Receipt received from the U.S. Patent and Trademark Office in the above-referenced application. The Filing Receipt is missing some of the priority information. Please note that, as indicated in the attached copy of the Application Data Sheet filed September 5, 2003, PCT Application No. PCT/US99/13668 also claims the benefit of U.S. Provisional Application No. 60/149,029. Since the error was made by the U.S. Patent and Trademark Office, it is believed that no fee is required with regard to this Request; however, in the event that a fee is required, the Commissioner is authorized to charge such fee to Deposit Account No. 08-0219. A duplicate copy of this letter is attached.

Honorable Commissioner for Patents

Sir:

We are in receipt of a Response to Request for Corrected Filing receipt dated May 20, 2004.

This Response indicates that the priority claim stated in our Request for Corrected Filing Receipt filed May 7, 2004, is not acceptable. It is stated that the priority claim cannot be made because it is based on an application filed after the application making the claim. The instant application was filed September 5, 2003. The chain of priority with regard to this application is as follows:

Serial No. 10/654,992

None of these applications are filed on or after September 5, 2003, which is the filing date of the instant application. We again request that the priority information as indicated in red on the attached filing receipt be added and that a corrected filing receipt be issued.

Also attached is a copy of our previous request and its attachments.

Since the error was made by the U.S. Patent and Trademark Office, it is believed that no fee is required with regard to this Request; however, in the event that a fee is required, the Commissioner is authorized to charge such fee to Deposit Account No. 08-0219.
